" Lin Enger sets out from the conventions of the traditional Western and brings the reader into new emotional territory, that of the soul of an exquisitely drawn American family. The High Divide is a novel to get lost in. " —James Scott, author of The Kept In 1886, Gretta Pope wakes up one morning to discover that her husband is gone. Ulysses Pope has left his family behind on the far edge of Minnesota ' s western prairie, with only the briefest of notes and no explanation for why he left or where he ' s heading. It doesn ' t take long for Gretta ' s young sons, Eli and Danny, to set off after him, leaving Gretta no choice but to search for the boys and their father in hopes of bringing them all home. Enger ' s breathtaking portrait of the vast plains landscape is matched by the rich expanse of his characters ' emotional terrain, as pivotal historical events--the bloody turmoil of expansionism, the near total demise of the bison herds, and the subjugation of the Plains Indians--blend seamlessly with the intimate story of a family ' s sacrifice and devotion. " [A] masterfully told Western reinvention of Homer ' s Odyssey . . . set against a backdrop of beauty and danger . . . In its narrative simplicity and emotional directness, it is reminiscent of John Ford ' s classic The Searchers. " —Publishers Weekly, starred review " Enger ' s novel is told in beautifully exact, liquid language that wastes no time, just as one cannot afford to waste time when making a journey such as the Pope family ' s. Highly recommended. " —Library Journal, starred review " A deeply moving, gripping novel . . . Layered with meaning, this remarkable novel deserves to be read more than once. The High Divide proves Enger ' s chops as a masterful storyteller. " —Ann Weisgarber, author of The Promise " A gripping story with well-portrayed, complex, and sympathetic main characters and a complement of believable secondary figures in a vividly described region nearing the close of an era. Enger is an author worth watching. " —Booklist " The High Divide, a novel about a family in peril, is haunting and tense but leavened by considerable warmth and humanity. Enger writes with durable grace about a man ' s quest for redemption and the human capacity for forgiveness. " —Benjamin Percy, author of Red Moon

Unaware that his life is about to change in ways he can't imagine, seventeen-year-old Jesse Matson ventures into the northern Minnesota woods with his father on a cold November afternoon. Perched on individual hunting stands a quarter-mile apart, they wait with their rifles for white-tailed deer. When the muffled crack of a gunshot rings out, Jesse unaccountably knows something is wrong-and he races through the trees to find his dad dead of a rifle wound, apparently self-inflicted. But would easygoing Harold Matson really kill himself? If so, why? Haunted by the ghost of his father, Jesse delves into family secrets, wrestles with questions of justice and retribution, and confronts the nature of his own responsibility. And just when he's decided that he alone must shoulder his family's burden, the beautiful and troubled Christine Montez enters his life, forcing him to reconsider his plans. In spare, elegant prose, Lin Enger tells the story of a young man trying to hold his family together in a world tipped suddenly upside down. Set among pristine lakes and beneath towering pines, Undiscovered Country is at once a bold reinvention of Shakespeare's Hamlet and a hair-bristling story of betrayal, revenge, and the possibilities of forgiveness.

Radically personal and quintessentially American, an intimate drama at the heart of an apocalyptic vision On a small farm beside a lake in Minnesota ' s north woods an old man is waiting for the Rapture, which God has told him will happen in two weeks, on August 19, 1974. When word gets out, Last Days Ranch becomes ground zero for The End, drawing zealots, curiosity seekers, and reporters—among them the prophet ' s son, a skeptical New York writer suddenly caught between his overbearing father and the news story of a lifetime. Into the mix comes Melanie Magnus, a glamorous actress who has old allegiances to both father and son. Meanwhile, Nixon ' s resignation has transfixed the nation. Writing with clear compassion and gentle wit, Lin Enger draws us into these disparate yet inextricably linked lives, each enacting a part in a drama forever being replayed and together moving toward a conclusion that will take all of them—and us—by surprise. Set during a time that resonates with our own tension-filled moment, American Gospel cuts close to the battles occurring within ourselves and for the soul of the nation, and in doing so radiates light on a dark strain in America ' s psyche, when the false security of dogma competes with the risky tumult of freedom.

Hailed as one of the year's top five novels by Time, and selected as one of the best books of the year by nearly all major newspapers, national bestseller Peace Like a River captured the hearts of a nation in need of comfort. "A rich mixture of adventure, tragedy, and healing," Peace Like a River is "a collage of legends from sources sacred and profane -- from the Old Testament to the Old West, from the Gospels to police dramas" (Ron Charles, The Christian Science Monitor). In "lyrical, openhearted prose" (Michael Glitz, The New York Post), Enger tells the story of eleven-year-old Reuben Land, an asthmatic boy who has reason to believe in miracles. Along with his sister and father, Reuben finds himself on a cross-country search for his outlaw older brother who has been controversially charged with murder. Their journey is touched by serendipity and the kindness of strangers, and its remarkable conclusion shows how family, love, and faith can stand up to the most terrifying of enemies, the most tragic of fates. Leif Enger's "miraculous" (Valerie Ryan, The Seattle Times) novel is a "perfect book for an anxious time ... of great literary merit that nonetheless restores readers' faith in the kindness of stories" (Marta Salij, Detroit Free Press).
