Jonathan Kellerman has made the psychological thriller his own gripping province with his bestselling series of Alex Delaware novels. Now, Delaware's new adventure leads the sleuthing psychologist on a harrowing exploration into the realm he knows best: the human psyche, in all its complexity, mystery, and terrifying propensity for darkness.

*Therapy (Alex Delaware, #18) by Jonathan Kellerman*

I am really into Jonathan Kellerman at the moment and have to admit to really enjoying this the eighteenth adventure featuring Clinical Psychologist Dr Alex Delaware. Delaware appears to be having some joy in his personal life following the ending of his long-term relationship with Robyn Castagna.

Therapy (Alex Delaware, #18) by Jonathan Kellerman. Edmond Gagnon 's review. Mar 14, 2020 . Anh...this Kellerman novel didn't come close to rocking my world. I had no problem getting into it, but the plot got complicated quickly with too much conjecture and guesswork dialogue between Milo Sturgis and Alex Delaware. The story was interesting and moved well, but I found myself skimming on ...

Therapy (Alex Delaware series, Book 18) by Jonathan Kellerman, 9780755307364, available at Book Depository with free delivery worldwide.

On a lonely lovers' lane in the hills of Los Angeles, a young couple lies murdered in a car. Each victim bears a single gunshot wound to the head. Though the female remains unidentified, the male companion, Gavin Quick, has a troubled past that had landed him on a therapist's couch. It's there, on familiar turf, that psychologist-sleuth Alex Delaware hopes to find vital clues. And that means going head-to-head with Dr. Mary Lou Koppel, a celebrity psychologist who fiercely guards the privacy of her clients, alive or dead. As Delaware follows a chain of greed, corruption, and betrayal snaking hideously through the profession he thought he knew, he'll cross into territory even he never dreamed of treading.

NEW YORK TIMES BESTSELLER Troy Turner and Rand Duchay were barely teenagers when they murdered a younger child. While Troy died violently behind bars, the hulking, slow-witted Rand managed to survive his stretch. Now, at age twenty-one, he's emerged a haunted, rootless man with a pressing need: to talk-once again-with psychologist Alex Delaware. But when Rand's life comes to a brutal end, his words die with him. LAPD homicide detective Milo Sturgis suspects that either karma or revenge caught up with Rand, but Delaware's suspicions run darker. As Delaware and Sturgis retrace their steps through a grisly murder case that devastated a community, they discover madness, suicide, and even uglier truths waiting to be unearthed. And the nearer they come to understanding an unspeakable crime, the more harrowingly close they get to unmasking a monster hiding in plain sight. BONUS: This edition contains an excerpt from Jonathan Kellerman's Guilt.

BONUS: This edition contains an excerpt from Jonathan Kellerman's Guilt. NEW YORK TIMES BESTSELLER The voice belongs to a woman, but Dr. Alex Delaware remembers a little girl. It is eleven years since seven-year-old Melissa Dickinson dialed the hospital help line for comfort-and found it in therapy with Alex Delaware. Now the lovely young heiress is desperately calling for the psychologist's help once more. Only this time it looks like Melissa's deepest childhood nightmare is really coming true. "A page-turner from beginning to end."-Los Angeles Times Twenty years ago, Gina Dickinson, Melissa's mother, suffered a grisly assault that left the budding actress irreparably scarred and emotionally crippled. Now her acid-wielding assailant is out of prison and back in L.A.-and Melissa is terrified that the monster has returned to hurt Gina again. But before Alex Delaware can even begin to soothe his former patient's fears, Gina, a recluse for twenty years, disappears. And now, unless Delaware turns crack detective to uncover the truth, Gina Dickinson will be just one more victim of a cold fury that has already spawned madness . . . and murder.

BONUS: This edition contains an excerpt from Jonathan Kellerman's Victims. Perennial bestseller and acknowledged master of the psychological thriller, Jonathan Kellerman has created a riveting and memorable Alex Delaware novel about a troubled and elusive young woman whose brutal murder forces the brilliant psychologist-detective to confront his own fallibility. Lauren Teague is a beautiful, defiant, borderline-delinquent teenager when her parents bring her to Alex Delaware's office. But for all Alex's skill and effort, Lauren resists-angrily, provocatively. Reluctantly, the psychologist chalks Lauren up as one of the inevitable failures of a challenging profession. But years later, when Alex encounters Lauren as a stag party's featured entertainment, both doctor and patient are stucken with shame. And the ultimate horror takes place when, soon after, Lauren's brutalized corpse is found dumped in an alley. Alex disregards the advice of his trusted friend, LAPD detective Milo Sturgis, and jeopardizes his relationship with longtime lover, Robin Castagna, in order to pursue Lauren's murderer. As he investigates his young patient's troubled past, Alex enters the shadowy worlds of fringe psychological experimentation and the sex industry, and then into mortal danger when lust and big money collide in Southern California. Jonathan Kellerman's L.A. is evil, seductive, and unforgiving, and Flesh and Blood is mind-opening in its drama of a driven man's personal quest, breathtaking in its ingenious plot, filled with unforgettable characters, and topped off by a terrifying climax. This is suspense fiction at its finest.

A leather-covered scrapbook containing carefully mounted photographs of murder victims arrives on Alex Delaware's doorstep. Alex summons the help of his best friend, LAPD detective Milo Sturgis. Each will soon be forced to confront their own personal demons.

"Kellerman doesn't just write psychological thrillers-he owns the genre."-Detroit Free Press Her name is Elise Freeman, and her chilling cry for help comes too late to save her. On a DVD found near her lifeless body, the emotionally and physically battered woman chronicles a long ordeal of abuse at the hands of three sadistic tormentors. But even more shocking is the revelation that the offenders, like their victim, are teachers at one of L.A.'s most prestigious prep schools. Homicide detective Milo Sturgis is assigned to probe the hallowed halls of Windsor Prep Academy, and if ever he could use Dr. Alex Delaware's psychological prowess, it's now. As the scandal-conscious elite close ranks around Windsor Prep, Alex and Milo push to expose the dirty secrets festering among society's manor-born. But while searching for predators among the privileged, Alex and Milo may be walking into a highly polished death trap. BONUS: This edition contains an excerpt from Jonathan Kellerman's Victims. "Jonathan Kellerman's novels are an obsession; once started it is hard to quit."-Orlando Sentinel "The combination of Alex Delaware and Detective Milo Sturgis make for the most original whodunit duo since Watson and Holmes."-Forbes

Embroiled in a vicious child custody case where the plaintiff is murdered and the girl at the center of the case is kidnapped, psychologist Alex Delaware, with the assistance of his friend, Detective Milo Sturgis, races to save the child.

Includes an excerpt from: Victims (p. [429]-440).
