PowerPivot is an amazing new add-in for Excel 2013 that allows business intelligence pros to process large amounts data. Although it is simple to use in a demo environment, analysts are likely to run into real-life scenarios that are difficult to solve. This guide, dedicated solely to the PowerPivot tool, provides techniques and solutions to real-world problems, including showing the Top N customers by using slicer filters, comparing budget to actuals, drilling across data instead of through data, and joining data from two different sources in a single analysis.

When Jules and Kevin Rockman's parents drop them off at Camp Whatsitooya on their way to an International Spamathon, the twins expect a summer of marshmallows, campfires, and canoe trips. What they do not expect is to defend the earth from an invasion of sugar-addicted, murderous, seven-foot-tall rabbits from another galaxy. Happily, the Rockman twins, veteran watchers of the Late, Late, Late Creepy Show for Insomniacs, are unusually well-prepared for dealing with monstrous beings from outer space. If only their fellow campers were so lucky. Andrea Beaty, author of several very funny picture books and a mysterious novel, here reaches new heights of hilarity and verbal dexterity in a novel sure to become a camp-ba-dum-dum-classic.

Julie Clinton, author, speaker, and president of Extraordinary Women, has spoken to thousands of women across the nation and knows they are eager to break through ordinary busyness, discouragement, and distraction to embrace a meaningful life in Christ. With a practical, engaging 10-week format, Julie encourages women to experience this transforming life in and with Christ as she leads them to know God by spending time with Him and seeking His heart. Biblical and motivating, Julie awakens readers to inspired principles and life-changing priorities as they gather these and other riches of extraordinary faith: Refueled purpose and passion for their journey Healing of and release from past wounds Freedom from guilt with love and grace Relationships and connections that matter This exploration of God's Word and His desire for each woman's life reveals the remarkable, attainable picture of the godly significance she is made for. This book's content can be enhanced by the companion DVD.

Course OverviewThe Community Emergency Response Team (CERT) Program educates individuals about disaster preparedness and trains and organizes teams of volunteers that can support their communities during disasters. The CERT Program offers training in basic disaster response skills, such as fire safety, light search and rescue, and disaster medical operations. With proper CERT training, you can help protect your family, neighbors, and co-workers if a disaster occurs."Introduction to Community Emergency Response Teams (CERT)," IS-317, is an independent study course that serves as an introduction to CERT for those interested in completing the basic CERT training or as a refresher for current team members. The course includes six modules: CERT Basics, Fire Safety, Hazardous Material and Terrorist Incidents, Disaster Medical Operations, and Search and Rescue, and Course Summary.While IS-317 is useful as a primer or refresher for CERT training, it is not equivalent to, and cannot be used in place of, the classroom delivery of the CERT Basic Training. To become a CERT volunteer, one must complete the classroom training offered by a local government agency such as the emergency management agency, fire or police department. Contact your local emergency manager to learn about the local education and training opportunities available to you. Let this person know about your interest in taking CERT training.Course Objectives:After completing this course, CERT Independent Study (IS)-317, you should be able to: *Identify key concepts that form the foundation for CERT operations*Identify principles and guidelines for CERT activitiesThis lesson provides an overview of the CERT role in disaster preparedness and response. It also covers what you will learn in other lessons about CERT organization and activities
